A **Champion for Business** is a leader who takes a stand for his or her belief in the free enterprise system, who defies the status quo when it is harmful to our state's competitive climate and who faces down opponents to the growing prosperity of Florida's citizens.

The **Champion for Business** is evidence that, in our efforts to let our members and their legislators know who has supported business and who hasn't, we leave no stone unturned.

In our collective wisdom, these 10 legislators and the Governor are the epitome of a **Champion for Business.**
