AIF POLICY COUNCILS scheduled for BREAKOUT SESSIONS at the ANNUAL CONFERENCE

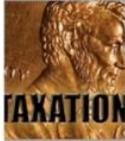

Environmental Sustainability & Agriculture Council (ESAC)
Addressing recycling, water quality, product stewardship, and other environmental issues important to the business community.

Florida Energy Council (FEC)
Developing resources to meet Florida’s future energy needs—producers, suppliers, storage facilities, marketers, retailers, wholesalers and users.

Manufacturing, Aerospace & Defense Council (MADC)
Advancing the interests of Florida’s manufacturing community to help Florida diversify its economy and provide more high-wage and high value-added jobs in the state.

Taxation Council (TC)
State tax revenues are necessary to fund essential state services and programs, but those needs must be balanced against the impact of taxation on Florida’s businesses.

Financial Services Council (FSC)
Insurance and financial industries, working in concert with other interested parties, to secure a stable fiscal climate for Florida.

Florida Transportation & Maritime Council (FTMC)
Ensuring their continued economic prowess in a global marketplace for businesses that operate or support operations at any of Florida’s 14 deep water ports.

Health Care Council (HCC)
Working to craft a more functional and sustainable health care delivery system for Florida, incorporating the core principles of access, quality and affordability.
