

The *Champion for Business* award symbolizes our gratitude for extraordinary efforts by legislators on behalf of the business community.

These were the leaders we turned to when the business community needed someone we could depend upon.

Votes provide tangible evidence of whether a legislator supports the ability of Florida companies to prosper and operate free of overly burdensome state regulation and taxation. It is a valuable tool used by AIF and the business community to determine which legislators deserve our support. Yet voting records only tell part of the story.

A *Champion for Business* is a legislator who takes a stand for his or her belief in the free-enterprise system, who defies the status quo when it is harmful to our state's competitive climate and who faces down opponents to the growing prosperity of Florida's citizens.

The *Champion for Business* is evidence that, in our efforts to let our members and their legislators know who has supported business and who hasn't, we leave no stone unturned.

In our collective wisdom, these legislators are the epitome of what a *Champion for Business* should be. Whether they proposed an important bill, authored a key amendment, or toiled behind the scenes, these legislators are the ones who made a difference this session.
