Building for the Foundation of Florida's Future

The Foundation of Associated Industries of Florida was formed in 2008 to address the educational and development needs of Florida's business community. FAIF is governed by an independent board of directors, and does not engage in any political activities.

The private business sector's support is critical to the success and continuance of FAIF's initiatives and programs. Florida businesses cannot afford to rely on public opportunities alone to train and prepare their future employees and leaders. FAIF will foster programs that identify business needs today and create solutions that will last into the future.

We welcome your participation and suggestions as we move forward. Your contributions to FAIF are tax deductible and can be made by visiting FAIF.org or by contacting our executive director, Stephen Trickey at 850.224.7173.

FAIF is a 501 (c)(3) organization. Registration Number: CH28665. A COPY OF THE OFFICIAL REGISTRATION AND FINANCIAL INFORMATION MAY BE OBTAINED FROM THE DIVISION OF CONSUMER SERVICES BY CALLING TOLL-FREE (800.435.7352) WITHIN THE STATE.

AIF POLICY COUNCILS

Councils bring together unique sectors of the business community in order to develop and promote issues vital to those respective industries. These Councils are the backbone of policy making at AIF as the member companies of each Council voice their issues, concerns and ideas and help develop the policies that are presented to our Board of Directors for approval.
